

Kim Tulloch
Position of club secretary

I think I have been a member of MAFW for about 6 years. I have served the club by participating and enjoying lots of club rides, volunteering to help in club activities whenever I can, leading a few club rides, and will try to lead more, and lastly encouraging other cyclists to join this wonderful club.

I am currently on the nominating committee and it was proving a bit difficult to find someone to be the club secretary so I volunteered myself. What I hope to accomplish is to keep good notes and records during the board meetings, and keep up with whatever other requirements being the secretary involve. The last time I was a secretary of any club was in middle and high school for my 4-H club, so its been a while.

MAFW has really been a gift to me. I moved from Vermont back to NJ (I grew up in NJ) 7 years ago. I moved to Morris Plains. I always liked to bike ride but had lost my cycling partner. I was hesitant to join a club, I'm not a big club joiner, but also didn't really enjoy cycling alone. Many years before this someone from MAFW had encouraged me to join, so I decided to give it a shot. In MAFW I found so many friendly, funny, encouraging cyclists and friends. I really feel very fortunate to be a part of this club.
